Introduction

The Infinity Culinary Training Data Management System is a data management tool that enables administration staff of Infinity Culinary Training to manage student information. This document serves as a guideline for navigating the system to add new students and view statistics.

Getting Started

Quick Start

1. Navigate to <https://ict-chefs.herokuapp.com/>. The login page should be displayed.

Infinity Culinary Training
Est. 2009

Please log in

Username:

Enter username

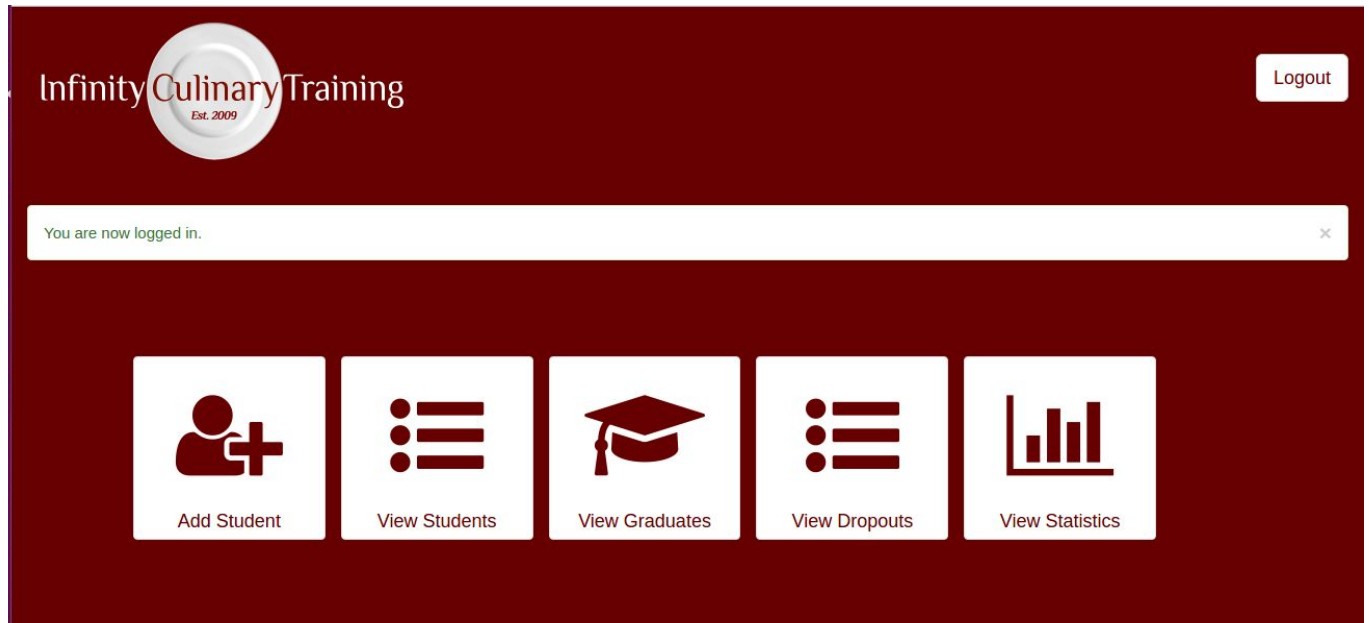

Password:

Enter password

☐ Remember me

Login

2. Enter a valid username and password then click Login. The main menu page will be displayed.

Adding a New Student

1. To add a new student to the database, choose Add Student from the main menu.

The screenshot shows the "Add Student" form. At the top is a navigation bar with buttons: "Home", "Add Student" (highlighted in red), "View Students", "View Graduates", "View Dropouts", "View Statistics", and "Logout". The main heading is "Add Student". On the left side, there are several input fields: "Name:" with a text box containing "Enter name", "ID Number:" with a text box containing "ID number", "Contact Details:" with a text box containing "Enter primary contact", "Year:" with a text box containing "Enter year", and "Class:" with a dropdown menu. At the bottom left are three buttons: "Save" (blue), "Clear" (grey), and "Cancel" (white). On the right side, there is a "Picture:" section with a "Choose File" button and the text "No file chosen". Below this is a large rectangular area with a placeholder image of a person and the text "your image".

2. Enter a name and surname in the Name field.

Name:

3. Enter a valid ID number in the ID Number field.

ID Number:

4. Enter a valid phone number in the Contact Details field.

Contact Details:

5. Select a year from the Year field.

Year:

« 2010-2019 »

2009	2010	2011	2012
2013	2014	2015	2016
2017	2018	2019	2020

6. Select a class number from the Class field.

Class:

7. To add a picture, click Choose file button, locate the picture on your computer and click Open.

Picture:

No file chosen

Add Student

Student saved successfully!

- Click the Save button.

Viewing Students/Graduates/Dropouts

3. To delete a student select that student and click the “delete selected” button. A message will pop up to confirm the deletion, select ok to delete and cancel to not delete

4. To upload an image for a student click the “choose file” button for image upload and then click the “upload image” button.

5. When an image has been uploaded for a student it will appear in the top left corner of the screen instead of the placeholder image

6. To upload a file for a student click the “choose file” button for file upload and then click the “upload file” button. The file must be a pdf file.

7. The uploaded file for a student will be shown below the file uploader and will be a clickable link to the pdf file

- To sort a column by ascending order click the column heading, to sort by descending click the column heading a second time and to remove the sort click the column heading a third time.

Name	Contact Details	ID Number	Class Num... ↑	Year
<input type="text"/>			<input type="text"/>	<input type="text"/>

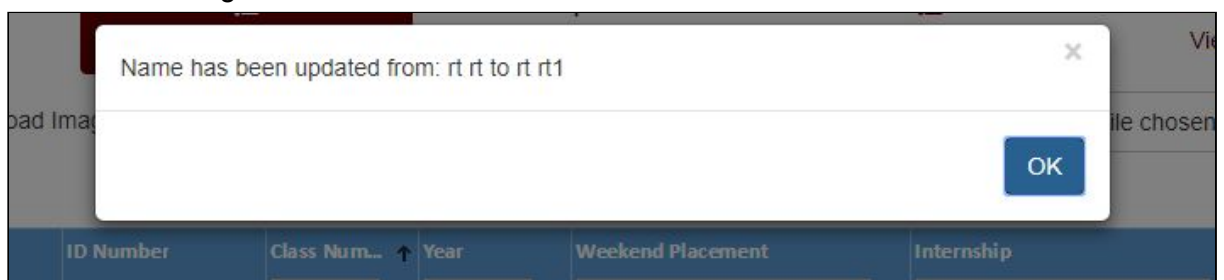

- To filter/search a column enter your search phrase into the white text box underneath the column heading. To remove the filtering just remove the phrase from the text box

Name ▼	Contact Details	ID Number	Class Num... ↑	Year
<input type="text" value="r"/>			<input type="text"/>	<input type="text"/>

- To edit details in the grid, double click on the entry to change and then type in the edit. To leave editing mode either press enter or click onto a different cell.

<div>Name ▼</div> <div><input type="text" value="r"/></div> <div><input type="text" value="rt rt"/></div>

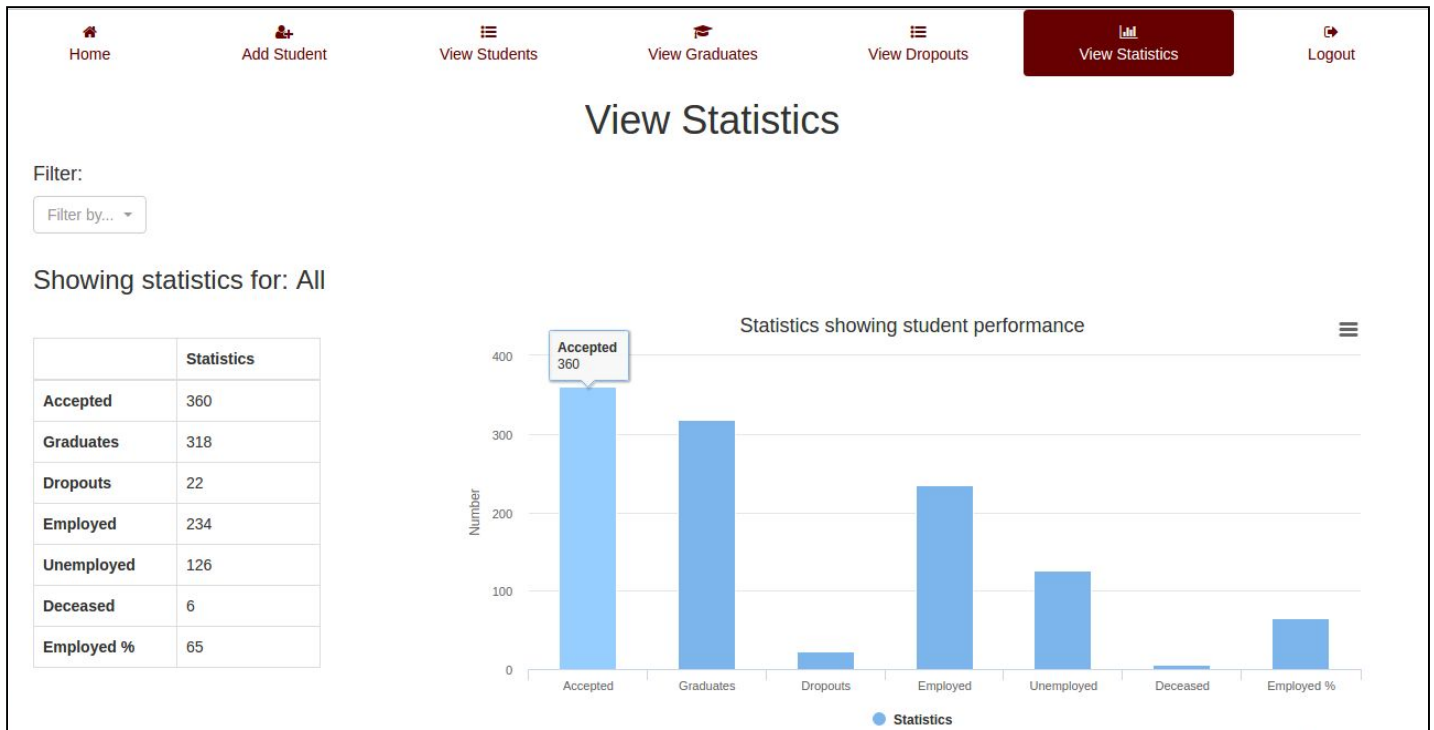

- Once editing is completed, if the value has been changed an alert will appear to confirm the change.

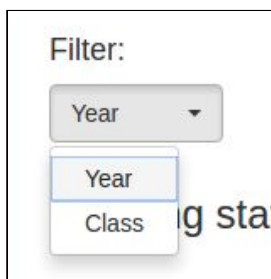

- All of the above is valid for view students, view graduates and view dropouts

Viewing Statistics

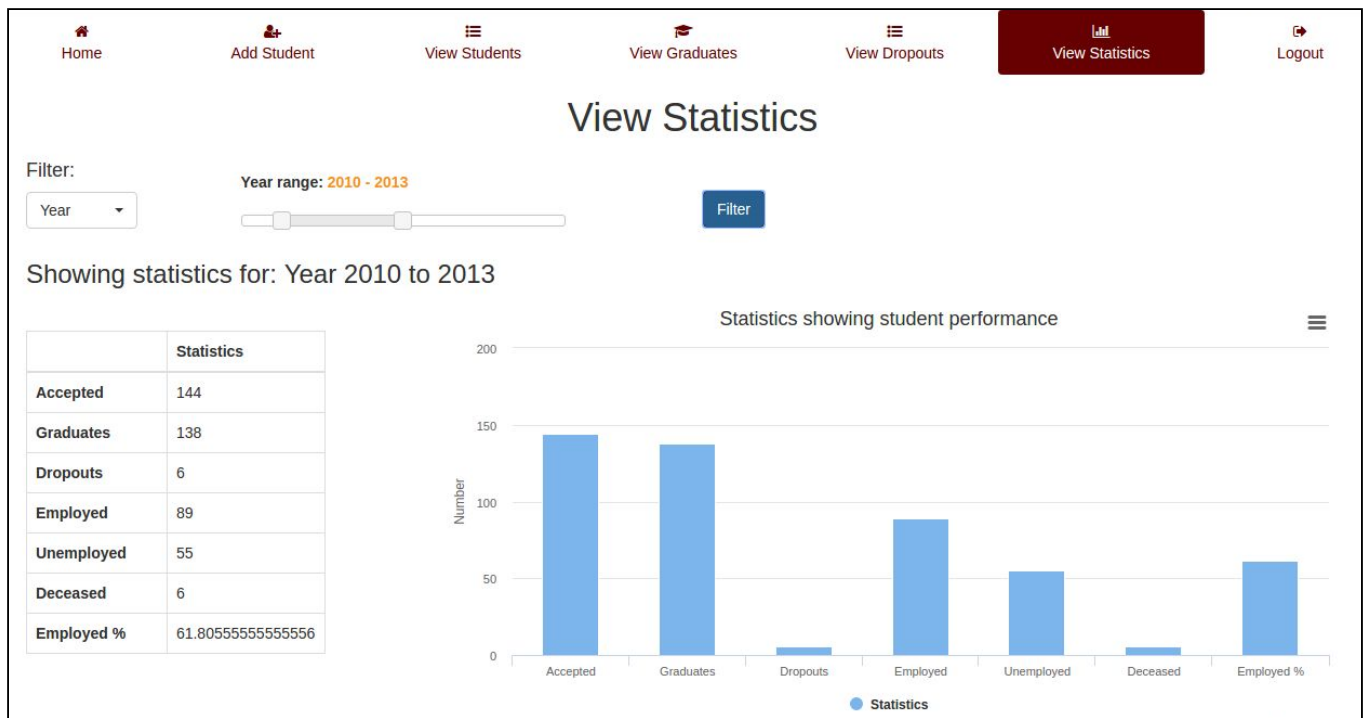

- To view the statistics, choose View Statistics from the main menu.

2. To filter by year(s), click the Filter by dropdown and choose Year

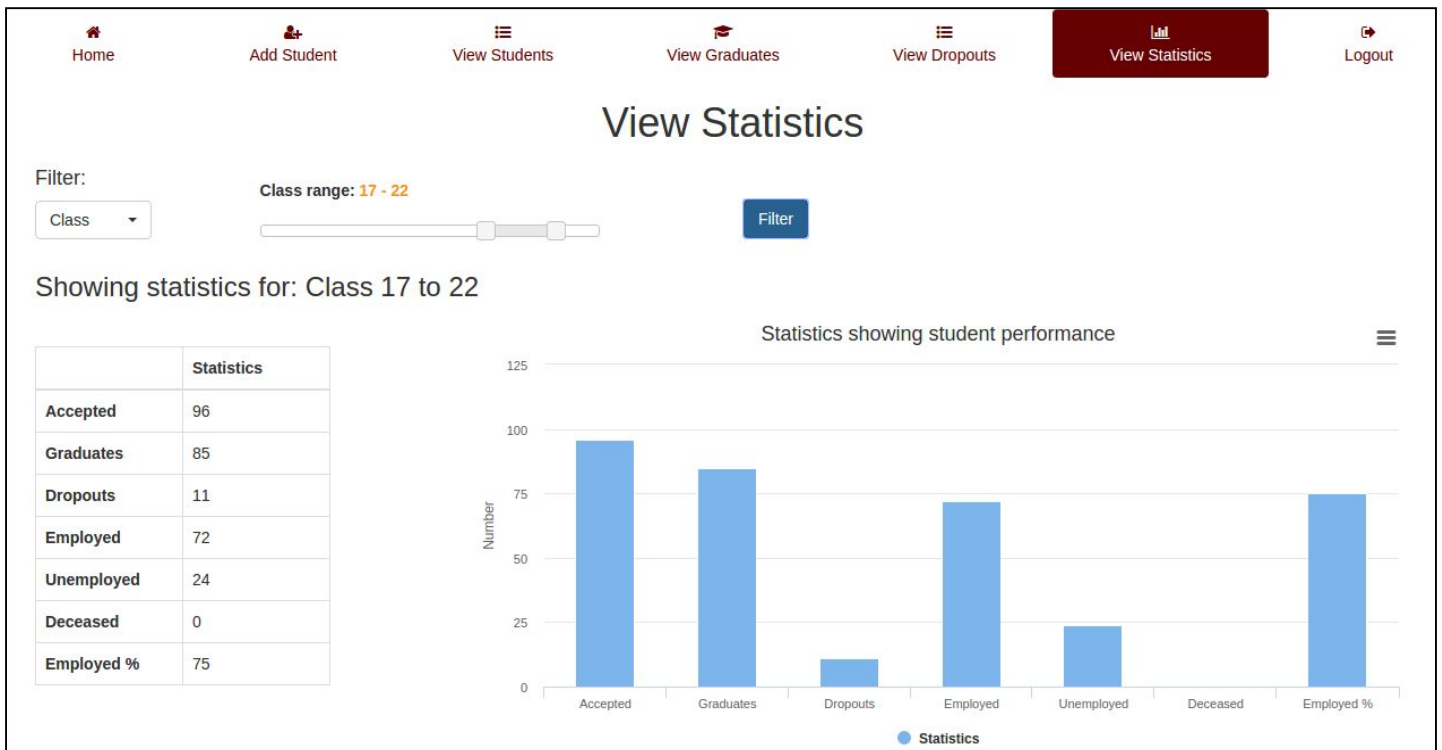

3. Drag the slider to select a start and end year, then click the Filter button

- To filter by class number(s), click the Filter by dropdown and choose Class.

5. Drag the slider to select a start and end class number, then click the Filter button
